KURASAWA OPEN TROPHY

The Kurasawa Cup will be played in the 3-person teams open category. These teams can be made up by men, women or be mixed. The aim of the championship is the attendance of the highest number of kendokas to the event. The first round will be a group stage of 3 or 4 teams in each group, depending on the final attendance. Only one team will pass to the following round; in this way every team plays 2 fights minimum. The fights will be on sanbon shobu (the best out of 3 points) when there is a draw (hikiwake). If there is a general draw in the qualifying round, one competitor per team will play a fight to break the deadlock on ippon shobu (direct win). Once the first round is completed, the fights will be direct qualifying fights. In case that any doubt arises, we will apply the refereeing rule of the IKF.

A draw of 4 quadrants will be held in order to avoid teams from the same club fighting against each other before the semifinals. The four semifinalists of last year will be this year seeds and will not fight against each other either before the semifinals.

This year seeds are:

Ryoshinkai B (Barcelona) – Current champion 2011

Kenwakai A (Madrid) – Second place 2011

Kensei Dojo A (Balears) – Third place 2011

Kajuki (Aragón) A – Third place 2011

There were 51 teams taking part in last year competition. We hope to exceed this number thanks to all of you.

*The Sayonara party is **30** Euros and will be, as is tradition, in La Barca del Salamanca restaurant, in the Port Olímpic.

*Accommodation in the Alberg PERE TARRES (hostel). This year we have chosen again youth hostel to improve the logistics and get a better price. There are several 8 pax rooms (men and women apart).

The price for our group, breakfast included, is **20** Euros person/night.

For those of you who would like to see where the hostel is located (in order to get these special conditions the registration has to be done by telling us), visit

<http://www.peretarres.org/alberg/>

NOTA: the closing date to register and book the hostel is 05/01/2012. In case of not formalizing the accommodation booking with us before that date, we will not take charge of the booking.

The way from the hostel to the Polideportivo UPC is easy and comfortable. The hostel is centrally situated and there is an easy connection to get to it by tram and underground.

Important: With the aim of facilitating the punctual beginning of the championship on Saturday, there will be fast food served in the snack bar of the sports centre itself at the end of the training. You will have to show some tickets that the club representatives will have as we will provide them with those tickets. In this way the shinai checking and the warm-ups could be done correctly and then start the competition on time at 15 h. We will use 3 shiaijo and once the preliminary round is finished, we can make 4-minute fights, more eye-catching and similar to what the competition rules recommend.

IF YOU WOULD LIKE US TO BOOK YOUR ACCOMMODATION IN THE HOSTEL, YOU HAVE TO CONFIRM US THE NUMBER OF PEOPLE AND NIGHTS BEFORE JANUARY 5TH. OTHERWISE WE WILL NOT BE RESPONSIBLE TO GET ACCOMODATION FOR YOU.

Note: All the people attending the course and the championship must have valid papers to prove that they have an accident insurance, either the sports license of FEJyDA or another document or equivalent license or a particular insurance. The organization is not responsible of the consequences that may derive from the lack of it.
